## Celebration of INTERNATIONAL ENVIRONMENT DAY, 2019 at GMVIT, TALA

On 6th June, 2019, our college successfully completed the event of Tree Plantation under the National Service Scheme (NSS) at college campus. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO<sub>2</sub>. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was begun with the welcome speech by the Principal, Prof. (Dr.) Dilip Jaiswal sir. At that time Principal advised the volunteers to think differently for the society, to make positive changes and to make improvement.

Mr.K.S. Londhe, NSS officer orients the NSS volunteers by notifying the importance of NSS for them as well as society. He shared his past experiences with volunteers that how he got the success through NSS and what difficulties he faced while performing his role as Programme Officer. He said that "In society all the human beings are comprise equal importance, no matter with the Men or Women." He also said that the dedication is must to accomplish the goals and dreams in life. After the inspirational words of NSS officer and Principal, we all move towards the place where tree plantation took place. A very first tree plant by our student Prasad Kawale in college premises and then Principal Prof. (Dr.) Dilip Jaiswal sir also plants a tree. Total tree planted by all others including teachers, volunteers and other students was more than 20 on the day. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature

CELEBRATION INTERNATIONAL DAY OF YOGA 2019

G. M. VEDAK INSTITUTE OF TECHNOLOGY  
AT. POST- TALA, TAL.- TALA, DIST.- RAIGAD

## Benefits of Yoga

Yoga energizes, relaxes, strengthens and promotes correct breathing. After the physical postures one feels benefited by a more positive outlook, enthusiasm, and a general sense of self-awareness, improves self confidence by transforming thoughts. Yoga unlocks clear and one-pointed stress into peace.

## Celebration of International Yoga Day, 2019 at GMVIT, Tala

The team of teaching, non-teaching staff and students of our Institute celebrated International Yoga Day on 21st June, 2019 in seminar hall of GMVIT, Tala. Dr. Vivek Rane was invited as a guest to guide and perform Yoga. The team learned yoga and pranayama postures, to keep their mind and body fit forever.

Dr. Vivek Rane performed yoga and also gave brief introduction of inception of yoga saying that the word Yoga is derived from the Sanskrit word 'Yuj' which means to join or unite. It is believed to have evolved during the period of 'Sat Yug', also called as Golden age. He also mentioned the benefits to the human body especially for mental and physical fitness.

He continued saying that in today's world, most of the people think that Yoga means rigorous physical exercises, but Yoga is perfect blend of physical and mental practices which purifies one's intellect and in turn leads to Spiritual Consciousness.

Shri Narendra Modi, Hon'ble Prime Minister of India, said during his address to the UN General Assembly that "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help us deal with climate change. Let us work towards adopting an International Yoga Day."

The declaration of International Day of Yoga is the great moment for the India in the history. It took less than three months to be declared as the World Yoga Day by the United Nations General Assembly. Shri Narendra Modi had called for it on 27th of September in 2014 which was finally declared on 11th of December in 2014. It was first ever in the history that the initiative of any country has been proposed and implemented in the UN body within 90 days. This resolution has been adopted under the Global Health and Foreign Policy by the General Assembly in order to provide a holistic approach to the people worldwide for their health and well-being.

The celebration of the event International day of yoga is supported by various global leaders. It is celebrated by the people of more than "175 nations, including USA, Canada and China co-sponsored the resolution." It had the "highest number of co-sponsors ever for any UNGA Resolution of such nature." It is celebrated on international level by organizing the activities like yoga training campus, yoga competitions and so many activities to enhance the awareness about yoga benefits among common public all over the world. It is celebrated to let people know that regular yoga practice lead to the better mental, physical and intellectual health. It positively changes the lifestyle of the people and increase the level of well-being.

## Objectives: World Yoga Day

International Day of Yoga has been adopted to fulfill the following objectives:

- To let people know the amazing and natural benefits of yoga.
- To connect people to the nature by practicing yoga.
- To make people get used of meditation through yoga.
- To draw attention of people worldwide towards the holistic benefits of yoga.
- To reduce the rate of health challenging diseases all over the world.
- To bring communities much close together to spend a day for health from busy schedule.
- To enhance growth, development and spread peace all through the world.
- To help people in their bad situations themselves by getting relief from stress through yoga.
- To strengthen the global coordination among people through yoga.
- To make people aware of physical and mental diseases and its solutions through practicing yoga.
- To protect unhealthy practices and promote and respect the good practices to make health better.
- To let people know their rights of good health and healthy life style to completely enjoy the highest standard of physical and mental health.
- To link between protection of health and sustainable health development.
- To get win over all the health challenges through regular yoga practice.
- To promote better mental and physical health of people through yoga practice.

## Fundamentals of Yoga

The word Yoga is derived from the Sanskrit word 'Yuj' which means to join or unite. The union referred to is that of the individual self-uniting with Cosmic Consciousness or the Universal Spirit. Yoga is believed to have evolved during the period of the 'Sat Yuga', also called the Golden age. It was not until the discovery of the Indus-valley civilization that the knowledge about the origin of Yoga surfaced.

## Brief History of Yoga

The science of Yoga has its origin thousands of years ago, long before the first religion or belief systems were born. According to Yogic lore, Shiva has been seen as the first yogi or Aadiyogi and the first guru or Aadiguru. Several thousand years ago, on the banks of lake Kantisarovar in the Himalayas, Adiyogi poured his profound knowledge into the legendary Saptarishis or "seven sages". These sages carried this powerful Yogic science to different parts of the world including Asia, the Middle East, Northern Africa and South America. Interestingly, modern scholars have noted and marveled at the close parallels found between ancient cultures across the globe. However, it was in India that the Yogic system found its fullest expression. Agastya, the Saptarishi who travelled across the Indian subcontinent, crafted this culture around a core Yogic way of life.

Yoga is widely considered as an "immortal cultural outcome" of the Indus Saraswati Valley Civilisation – dating back to 2700 BC – and has proven itself to cater to both material and spiritual uplift of humanity.

## Background: International Yoga Day

Celebrating yoga day all over the world as World Yoga Day or International Day of Yoga on 21st of June every year was declared by the United Nations General Assembly on 11th of December in 2014. The declaration was done after the call by the Indian Prime Minister, Shri Narendra Modi to the United Nations General Assembly on 27th of September in 2014 during his address to the UN General Assembly. He called the United Nations General Assembly for adopting 21st of June as an International Yoga Day to get all the benefits of yoga for the people all around the world.

**Subject: About Permission for Road safety awareness programme at Tala .**

Respected Sir,

It has been observed that the road accidents are increased day by day so it is necessary to create awareness among the people about road safety. Since we the faculties of G.M.Vedak Institute of Technology, Tala, want to organize **"Road safety awareness programme" at Tala** in which one lecture for student awareness & one rally for people awareness is planned .

So, please give us the permission to conduct this event. We assure you that we will not create any disturbance to ongoing traffic. Also, we will have required one police coordinator who will guide us for the same event & guide the student.

Tentative schedule of programme are as follows

**Part-I : 10:30 am to 11:30 am – Guidance lecture by Police co-ordinator**

**Part-II : 11:45 am to 12.30pm – Rally from the Mule Naka → Balich Naka**

**→ S.T.Stand → Hotel Malhar → Back to College**

Thanking you.

## Report on Road Safety Awareness Program

Programme Name	:	Road Safety Awareness
Organized by	:	Applied Science and Humanities Department
Venue	:	G.M. Vedak Institute of Technology, Tala .
Dated on	:	29/08/2019

A Road Safety Awareness program was organized at our college premises on 29/08/2019. The dignitaries who shared the session were the Mr. Suresh Gengaje Police Inspector, Tala. The session was very useful for students like us and he was focusing on the safety measures to be followed while riding.

The program was started with felicitation of guest, welcome address and introduction of guest given by Head of Applied Science & Humanities Department Miss R.B. Ghuge madam. Our honourable Principal Dr. D. N. Jaiswal sir had addressed to students and they shared importance of this program. The speech delivered by the Mr. Suresh Gengaje was very informative and he provoked the undeniable truth that "each one's safety is in their own hands" as well on the importance of how precious each one's life is.

Mr. Suresh Gengaje mainly focus on several measures have been undertaken by the students for the safety of the travellers on road as

- ❖ Seat belt wearing is an important rule for the people traveling in the front seat of the four wheeled vehicles. Heavy penalties have been levied in certain states for the people who violate the rule. This is a major safety measure taken by the government. The wearing of the seat belt reduces the risk of major injury if accident happens and surveys have proved the fact.
- ❖ Two wheeled vehicle drivers have to wear helmets and failing to do so can lead to heavy penalty. Measures are taken by the government for the benefit of the people.
- ❖ Use of cell phone while driving is prohibited. But hardly people try to follow the rule sometimes. To prevent this, preventive measures like fine payment has been levied on the citizens who are found driving and talking on the mobile simultaneously.
- ❖ Red light jumping and no lane driving is another hazard in maintaining road discipline. This is the reason why the government has taken the measure of penalty payment of red light jumpers.
- ❖ Over speeding also leads to punishment and many people end up paying fine. The students were very much enlightened by his motivating speech because at this age we ride for fun.
