

Shri. Gopinath Mahadeo Vedak Pratishthan's

## G. M. VEDAK INSTITUTE OF TECHNOLOGY

(COLLEGE OF ENGINEERING)

Institute Code: EN3447

Approved by AICTE, Recognised by Govt. of Maharashtra &  
Affiliated to University of Mumbai

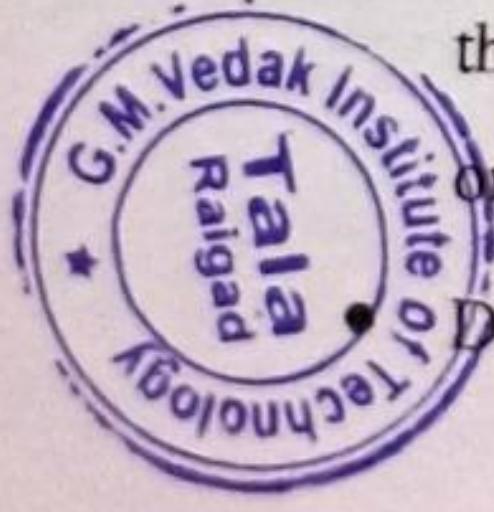

### Performance of the Institution in one area Distinctive to its Priority and Thrust

- The College has provided tremendous thrust and priority to its Program of Diversity Inclusion and Integration – an area distinctive to the Vision of the College.
- It is very much importance in the overall progress and development of the institution. With this view our college has its own mission statement accordingly we always try to function uniquely, innovatively and distinctively from the other institutions.
- As far as our Mission and Vision is concerned, for transforming the young generation in to Engineering professionals with good human values for betterment of society.
- The mission of the Trust is to set up a quality Engineering Institute which will provide professional education to the aspiring students not only from the urban areas but also from the rural areas with the support and guidance from highly qualified experienced professor and teaching staff. And delivering well-groomed competent engineers, whose shall be future ready and solution providers for the society.
- **G. M. Vedak Institute of Technology** was established in the year 2011 under the flag ship of Shri. Gopinath Mahadeo Vedak Trust. Our institute is approved by AICTE, New Delhi & Affiliated to Mumbai University.
- It is the brainchild of great Visionary, Founder and Chairman **Dr. Nandkumar Gopinath Vedak** and Trustee and Secretary **Shri. Unmesh Nandkumar Vedak**, aiming to cater professional engineering education to needy students of rural areas.
- Institute is spread over 10.12 acres of land and has well planned, attractive palatial building for Administration, Teaching, Laboratories, Seminar halls, Workshops and Canteen facilities. Institute has well-furnished separate hostel facilities for boys and girls.
- One of the dream of our Hon. Chairman for establishing the institute is to provide technical education for the rural area students, who are poor economically background, who never achieve the higher technical education in their life due to unavailability of the technical education in the vicinity approximately 50 km diameter. They are from very poor background. So we are giving them the admission by paying only Rs.500/1000 at the time of the admission, some time they are not having the money also, so we are admitting them without fees. Then their fees will be recovered from them by 7 to 8

instalments or some time may be paid in next year. We also give them a guidance for the education loan from bank to complete their education specifically we are diverting them to Bank Of India Tala, at strong recommendation which we have our institute account.

- Our Hon Chairman also giving the total medical expences by his personal own amount. He has decided in future somebody need the medical help for the employee they should provide only the hospital address & the account details of the hospital & he will pay total amount of the bill of his employee from his pocket.
- Due to our institute all the non-teaching members belong to 3<sup>rd</sup> & 4<sup>th</sup> categories gets their job in their home town. They are surviving their life in very well conditions.
- Industry interaction and liaison is an ongoing process which happens year-round in the form of student's industrial training, placements, Industrial visits, guest lectures, demonstrations, evaluation of competition etc.
- As we have excellent quality of labs so are giving the facility to make their practicals in our lab for diploma students, as we have the MoU's for sharing of the facility.
- To give the students a firsthand update of the current practices, professionals from the industry were appointed as adjunct faculty.
- Faculty members attend refreshers training programs every year for their upgradation.
- As the area is rural so all facilities are not available, so Hon Chairman decided to provide the rooms on rent basis for the Govt. Employees. Who are working in the Govt. offices in area of Tala.
- Our institute are conducted on line MH CET classes. Students are benefited for clearing the entrance exam for admission of engineering from our vicinity.
- Faculty members are invited as resource person for seminars, guest lectures, and workshops on Career Counselling, Research Methodology and Accreditation procedures.
- We have not restricted our education or academic but we are giving them the guidance of the fitness of the student & the faculties, we also provide the sports activities in the campus only. It is also about learning to interact with other people, being aware of social, environmental and gender issues, and inequities in the society. We provide an opportunity to every student to contribute to make the society in which they live a better place and to grow as better individuals.
- We have NSS unit which plans activities like tree plantation and field visits to expose the students to the pressing issues in our society. Through NSS the camp will be organized in the rural area.

Due to the sports facility our students are playing the zonal matches in varies games of

Mumbai University.

- As a special thrust, societal development is also instilled on a large scale into the students through the active NSS unit which undertakes various services to inculcate social values. Throughout the year, the NSS unit undertakes a plethora of events ranging from street plays, cleanliness drives, tree plantation drives, donation drives, waste management drives, gender equity, field visits and many more.
- College has NATIONAL DIGITAL LIBRARY MEMBERSHIP as well J-GATE MEMBERSHIP to provide the E library facility to the students as well as faculties for their future developments.
- We have provided earn & learn scheme to the needy students to make their future bright.
